You may vote on these proposals in person by attending the Annual Meeting or by proxy. If you cannot attend the 2015 Annual Meeting, we urge you to complete and return promptly the enclosed proxy card in the enclosed self-addressed postage paid envelope so that your shares will be represented and voted at the Annual Meeting in accordance with your instructions. Any stockholder may revoke their proxy before it is exercised by giving a later dated proxy, or by giving notice of revocation to the Company in writing before or at the 2015 Annual Meeting. However, the mere presence at the 2015 Annual Meeting of the stockholder granting a proxy will not revoke the proxy. Unless revoked by notice, shares represented by valid proxies will be voted on all matters to be acted upon at the 2015 Annual Meeting. On any matter or matters with respect to which the proxy contains instructions for voting, such shares will be voted in accordance with such instructions. Abstentions and broker non-votes will be deemed to be present for the purpose of determining a quorum for the 2015 Annual Meeting. An abstention or a broker non-vote will have no effect with respect to Proposal 1, but will be counted as "votes against" with respect to proposal 2. Brokers who have not received voting instructions from beneficial owners generally may vote in their discretion with respect to ratification of the selection of the independent certified public accounting firm, but will not be able to vote with respect to Proposal 1. Broker non-votes will not affect the outcome of any new proposals brought before the 2015 Annual Meeting.

Only stockholders of record at the close of business on April 24, 2015 can vote at the Annual Meeting and any adjournment or postponement of the Annual Meeting. As of the record date, there were approximately 59,106,441 shares of common stock outstanding.
